

message from the ceo

“No other college in Queensland enjoys the links with the tourism and hospitality industry that are the very foundation of HTA.”

It is my pleasure to welcome you to the Hospitality Training Association Inc (HTA).

Whether we become the first step on your career-path or a stepping-stone to your next exciting job, with HTA, you can be confident you have made the right choice.

Nothing compares to a career in hospitality or tourism.

In today's world it is not uncommon for chefs and restaurateurs to become celebrities, even on an international level. Tourism events are held with multi-million dollar budgets, and more people than ever before are willing to spend money on good food, good holidays and good experiences.

It all adds up to endless opportunities for the well-prepared graduate.

And there are no graduates better equipped to enter the hospitality and tourism industries than the thousands who pass through the Hospitality Training Association's doors each year.

No other college in Queensland enjoys the links with the tourism and hospitality industry that are the very foundation of HTA. These links have ensured that, for more than 20 years, we have delivered world-class training and genuine opportunities for hands-on work experience to our students.

This puts HTA students in demand from Australia's thriving hospitality industry and on the pathway to exciting global employment opportunities, or further study through our affiliations with other international colleges. In fact our global links have seen HTA graduates reach high-level business and hospitality positions around the world.

So no matter where in the world you come from, we encourage you to make HTA your next study destination.
